Date: 14th January, 2022

Subject: Reschedule of the REAP 9th International Expo & Conference
on Renewable Energy & Energy Efficiency

Dear Respected REAP Exhibitors,

While thanking for your valuable support, for being exhibitors of the REAP 9th International Expo & Conference, on Renewable Energy & Energy Efficiency, we are pleased to inform the honorable exhibitors that:

1. **REAP & PGREF** have joined hands with Chamber of Small Traders and Small Industry (**ICSTSI**) to shape the event jointly, so that a successful event may be organized, with maximum footfall of visitors and participants. Joint floor plan is attached for kind attention, as well.
2. **Beside the renovations work at Venue (Jinnah Convention Center)**, a high profile dignitary has confirmed his availability, as Chief Guest of the Opening Ceremony, in 1st week of March, therefore, the dates has been rescheduled to **3rd (as setup day) & 4th - 6th March 2022 for Expo & Conference.**
3. We sincerely apologize for rescheduling, if any inconvenience caused and highly appreciate your understanding and support.

Thanking you,

Naseer Ahmad
Chairman REAP Expo
